TWO STORY VILLA

Designed for discovery and delight, the Villas offer the most flexible floor plan accommodating families of all sizes and stages.

The Villa is balanced in aesthetics and approach to working with the land, not against it. Similar to all the other residences in Loraloma, this home boasts stunning views, unique features, and everyday spaces that are elevated with ingenuity and purpose. Each Villa is thoughtfully sited with optimized, protected views and minimal exposure to the sun while still allowing for plenty of natural light. With choices between Modern and Timeless designs, both offer access to all three bedrooms on the main level creating an intentional connection that compliments a variety of family needs and lifestyles. Outdoors, find your own oasis in the beautiful Live Oaks, only a short walk to the amenity-rich campus of Limestone Gulch.
